

"Anixter specialises in delivering complete solutions for the communications infrastructure, industrial wire and cable and security markets. Anixter has proudly served the EMEA market for more than 37 years and now has facilities in 23 countries across the region. With a unique infrastructure offering sales, service and logistics support, Anixter delivers to local, regional and global customers via a network of authorised reseller partners."

- Scott Quinton
Senior Vice President, EMEA

The Anixter Difference

Anixter has served Europe, the Middle East and Africa (EMEA) for more than 37 years with a sales, service and logistics network unmatched within the region. Anixter is present in 23 countries (Austria, Belgium, Czech Republic, Denmark, Finland, France, Germany, Greece, Hungary, Italy, Netherlands, Norway, Poland, Portugal, Republic of Ireland, Russia, Slovakia, Spain, Sweden, Switzerland, Turkey, UAE and the UK) and is capable of reaching customers in every country within the region via our unique logistics infrastructure. We conduct business locally, speaking the language of the customer and billing in more than 13 local currencies. We have over 2,100 associates who serve the market from 21 warehouses that stock inventory in excess of \$110 million. In 2008, our revenues exceeded \$1.3 billion.
